NOTICE : GENERAL

Congratulations

Research papers titled “An Improved Unsharp Masking (UM) Filter with GL Mask”, “Segmentation of Microscopy Images using Guided Filter and Otsu Thresholding”, “Contrast Enhancement of CT-Scan Images of Lungs using Morphological Filters” and “Discrete Wavelet Transform Based Fusion of Mammogram Images for Contrast Improvement” written by Akshita Shukla (Univ. Roll No.:– 1712231019), Ankit Yadav (Univ. Roll No.:– 1712231022), Alka Singh (Univ. Roll No. :-1712231020) and Anushka Dikshit (Univ. Roll No. :-1712231030) respectively, pass out students of B. Tech. (EC) under the guidance of Dr. Vikrant Bhateja, Assoc. Prof., EC Deptt. have been presented in 6th International conference on “Micro-Electronics, Electromagnetics and Telecommunications (ICMEET-2021), held at Bhubaneswar Engineering College, Bhubaneswar, Odisha, India from 27-28 August 2021. This paper will be published as ‘Online Book Chapter’ in Springer **Lecture Notes in Electrical Engineering Series (LNEE-Series, Scopus, & EI Compendex Indexed)** and will be available on Springer Digital Library.

It is a matter of great pride for the college. I am sure other students will also get motivated and get their papers selected in International Journals, Conferences and Seminars.

Well Done & Keep it up!

Prof. (Dr.) Bhavesh Kr. Chauhan
Group Director
