

NOTICE: ACADEMIC

No. AC/NA/2023-24/13

Date: 24 February 2024

Prohibition of Communication Gadgets in Classrooms

1. The undersigned has observed that certain students frequently use communication gadgets like *Mobile Phones, Bluetooth Earphones, and Smart Watches etc.* in the classrooms, even in the presence of faculty members.
2. To maintain the sanctity of classrooms, using any communication gadget is strictly prohibited during the conduct of Lecture/Tutorial/Practical classes. Therefore, all students should note that:
 - (a) They should not use/operate any communication gadget in the presence of faculty members (in classrooms/labs).
 - (b) Mobile phones and all the associated accessories should be compulsorily put in the student's own bag and not in their pockets or on desks/tables during teaching hours.
 - (c) Responsibility for the safety of such items lies solely with students, and college administration/management will not be accountable for any mishap.
3. However, faculty members may permit the use of mobile phones in their respective classes, strictly for academic purpose(s) only [e.g. discussion of Tutorial Sheets (on Google Classroom) etc.].
4. Compliance with all the above is strictly expected by one and all, without fail.
5. **If any student is found to be violating the above, the communication gadgets in possession shall be confiscated immediately and parents will be called for further action.**
6. Class representatives will also be accountable for spreading awareness of the same and its compliance among their classmates.

Addl. Executive Director
