

D'coders

DCoder's club is the only technical coding club of Shri Ramswaroop Memorial Group Of Professional Colleges, Lucknow.

This club aimed towards establishing and solidifying the coding culture in our college. We do this by regularly hosting programming-oriented events to hone our abilities.

We have partnered with many multinational organizations geared towards the same goal.

- 2) **WriteStream Series:** An online-only technical content writing competition over Instagram. Where participants submit their technical articles on some interesting and technical topics.

Excited to announce that the
Club is launching
" WRITESTREAM SERIES 1 "

where we will be posting one tech related
topic daily

All are invited to share their knowledge
on that particular topic in the form of an
article and the best article will be
featured on the club's official instagram
handle along with the credit to the author

It's time to share and grow together.

- 3) **Technology Trivia E-Quiz:** A simple technical quiz specially organized for the freshers to flaunt their technical knowledge in the domain of Computer Science.
