

PROFILE OF STUDENT COUNSELLOR

Mr. Sumit Kumar is the Counsellor at Shri Ramswaroop College of Engineering and Management. Mr. Sumit Kumar stands as a psychologist, having masters in clinical psychology driven by a profound interest in psychology and its diverse spheres. His professional journey reflects a harmonious fusion of counselling expertise, therapeutic exposure, and a broad intellectual curiosity with having exposure and training in counselling, therapy, mental status examination, testing and assessment and a lot more from CIP RANCHI and SRN PRAYAGRAJ. Beyond the realms of clinical practice Mr. Sumit wears the hat of research experience at colleges, exploring the psychological variables to study the impact and relation between them. His field of work includes and may incorporate, case history taking, mental status examination, interviews, testing, assessments, planning interventions, counselling and therapeutic interventions, and preparing case reports.

With a meticulous blend of qualifications, Mr. Sumit is uniquely positioned to contribute significantly to individual's mental well-being and engage in broader discussions across various domains, through his multifaceted approach by fostering understanding and connection. In his nuanced role as both communicator and healer Mr. Sumit exemplifies a holistic commitment to mental health and intellectual discourse. His endeavors reflect not only in his counselling sessions, but also in assessments and his genuine passion for contributing meaningfully to the understanding of human psyche and the broader spectrum of ideas that shape our collective consciousness.
