Student Profiling Form (SPF)

A database of all students' related information is being created. The data capture is planned through a Student Profiling Form (SPF), that records the academic, co-curricular and extra-curricular achievements, skills and the learning experiences of students. While it will help the college in guiding the students in their professional pursuits, it will be of great help to students in maintaining their updated personal records which will be of great help in enriching their CVs and job applications.

All students of SRMGPC have to fill this SPF through following google link by 19 December 2020 without fail -

<https://forms.gle/NBddtYjUh9t4sanb7>

HoDs are requested to get this form filled through course coordinators by due date. The google link is also available on college website www.srmcem.ac.in or www.srmcm.ac.in
